VETERANS SERVICE COMMISSION ANNUAL REPORT -2002

During the past year we have once again experienced numerous changes in the office. These would not be possible without the hard work and efforts of the staff.

We have been in the new offices over two years now. Our clients have increased over last year. We had to go back to the County Commissioners for an additional funding of \$300,000 for the remainder of 2002. The Meals on Wheels program had 25 persons enrolled at the end of the year. We helped veteran's families with 142 indigent burials and/or placing of the grave markers at a cost of \$113,303.04. The transportation program for medical appoints has had continued success along with adequate funding.

As mentioned in the 2001 annual report we were working on training and placing two persons at outstation locations. In western and southern job opportunity centers. Both of the locations have been working out very well. We have requested an additional position for the Mount Vernon Plaza area on the east side of Columbus. We have already advertised for this position and will fill it in early 2003.

Our service officers have been called upon numerous times to speak to groups about benefits available to veterans and their families. They have been invited to speak to veterans at The Ohio State University, veteran employees of Reynoldsburg, Upper Arlington High School, United Auto Workers (UAW), to mention a few. The feedback from these groups has been very favorable.

As always we would like to express our thanks for the support of the County Commissioners for funding our programs. Additionally, we thank the Veterans Memorial Board of Trustees and Richard Nolan and his staff. Also. Thanks to the veterans in Franklin County and the veterans service organizations for their support and interest in our office.

Sincerely,

Roy C. Morello

Columbus OH 43215

Dear Sirs:

During the past year of 2002, the VETERANS OF FOREIGN WARS, FRANKLIN COUNTY COUNCIL donated a total of \$1,755.00 to veterans, for which the total amount was used for Greyhound Bus Line tickets, COTA Bus Line tickets, gasoline, ID cards, food and laundry for indigent veterans.

The VETERANS OF FOREIGN WARS, FRANKLIN COUNTY COUNCIL has been properly recognized for their efforts to our needy and disabled veterans. Their contributions were made possible through the sale of "BUDDY" POPPIES, which is a major national program of the VFW. These "BUDDY" POPPIES are sold near Memorial Day of each year. They are manufactured by veterans in the VA Medical Centers and sold to the VFW and then volunteers take of their own time and expenses to "sell" the "BUDDY" POPPIES to the general public as well as each other. The funds that are raised are earmarked strictly for the use of "disabled and needy veterans". A great and noble undertaking by a great and noble organization, the sale of a "BUDDY" POPPY is more than on may think. First, the VFW paid for the manufacture of the product, the VFW buys the product, and then the VFW members sell the product and give all of the money to the disabled and needy. When you see a comrade "selling" the famous "BUDDY" POPPY, please buy one and give them more than just leftover change. This is one of the greatest "helps" ever created.

Sincerely,

Thomas F. Heston
Veterans Service Officer
